Mark may 17th-18th 2018 in your calendar

Swedish Association of Local Authorities and Regions, SALAR, invites You to an international conference. This is a great opportunity if You want to know more about the participatory budgeting, participation in complex issues focus social inclusion and participation in infrastructure development.

Here You will meet international and Swedish experts, researchers, representatives from municipalities and civil society in Sweden and other countries. Take note of other people's experiences, share Yours and discuss how participatory processes can be developed. Some of our international key-note speakers and partners are:

- Arch. Giovanni Allegretti, Senior Researcher CES (Center for Social Studies) - University of Coimbra Co-chair of the Independent Authority for Participation of Tuscany Region - Florence – Italy
- Josh Lerner, Executive Director Participatory Budgeting Project

If you have any questions please do not hesitate to contact us.

Help us to create a good content for the conference

We want to collect requests for content for lectures, lecturers and workshops during these two conference days.

Send Your proposal to Anders Nordh, SALAR, via e-mail: anders.nordh@skl.se

The Program

The Program is under construction. **Conference language is English.**
